 - St Louis Shim Sham for 2 weeks
 - Kind of related to Smackdown and the solo track classes/team choreographed routines

 - Be proactive about it for now, and make sure that we are asking the people that are teaching the lesson what they are going to teach, and make sure that that hasn't been taught recently
- Wear organizer badges
- Place to show the movie
 - kettering -moraine branch library
 - Will be for free, just have to tell the library 3 weeks in advance

- Outreach opportunities
 - Corporate events/HR?
 - Heritage festival invited us again this year
 - Rob and Mobley are going to a meeting for more information
 - End of May timeframe
 - Need to see who we can get to dance with us
 - Thinking that this time we would like to just be a roving group, and roam around the park . Rob going to ask, and see if we are going to be allowed to do that
- Membership
 - Cards
 - Picked design number 3
 - Nick has a laminator at home that we can use for them
 - Nick going to take care of making the cards since he has the laminator
 - Need to pay Jenny for the design work
 - Rob to get an invoice from her so that we can give her the check
 - Membership expirations
 - Thinking that we just want membership to be for a year after you pay for it
 - This is hard with the way that we are keeping track of memberships right now
- Digitizing the front desk?
- Jay going to look into checks tomorrow
- Stickers/badges
 - Don't want the badges to make people think that they have mastered a skill. Want people to be rewarded by finishing a class series

- Kat going to design them, and Nick is going to handle the printing

 - Dot
 - This is going to include the facebook events and the meetup page
 - Scheduling workers

- Meetup
 - Want to extend invitations to SwingOutDayton and Vu-Do Swing, and offer that if they want to buy in that they can. Don't want to be giving them free advertisement if we are having to pay for it, especially since we are cornering the market there right now.
- Practice session ?
 - Don't think we have the people that have the skills to just be able to show up and practice without a lot of structure
 - Thinking that we might have people who are interested in practicing, but they just don't know how to practice
- Summer performance team
 - Will talk more about this after Smackdown
- Need to talk in the near future of what we want to do with the money that we have built up.
 - Have about \$1800 in the bank right now
 - Can talk more about this on Slack
